All decisions are issued electronically via the platform, enabling more efficient processing and timely approvals.

#### 2. What application services are available through Xpats Gateway?

Xpats Gateway currently supports the following services:

- i. Approval from the Department of Labour Peninsular Malaysia (JTKSM) under Section 60K of the Employment Act 1955 (Act 265)

- iv. Investor Pass application (please refer to the [Investor Pass FAQ](#) for details)

### b) JTKSM Approval under Section 60K – Employment Act 1955 (Act 265)

#### 1. How does the Xpats Gateway integration affect the requirement for JTKSM approval under Act 265?

Effective 1 July 2025, employers that require JTKSM approval under Section 60K for new Employment Pass (EP) and Professional Visit Pass (PVP) applications must submit their applications via Xpats Gateway. The platform allows registration, submission, and real-time status tracking. The same application and approval can be used for both EP and PVP applications.

#### 2. Is prior approval from JTKSM mandatory to all employers?

Yes. Following amendments to the Employment Act 1955 effective 1 January 2023, private-sector employers in Peninsular Malaysia and Labuan are required to obtain prior approval from JTKSM before hiring foreign workers.

#### 3. Do all Employment Pass (EP) and Professional Visit Pass (PVP) applications require JTKSM approval?

JTKSM approval is required for new EP & PVP applications, except in the following cases:

- EP / PVP renewals
- Government sector / Public Universities
- Change of position or category within the same company (provided the applicant is already in Malaysia) – *applicable for EP only*

**4. What if an international company is setting up a Representative Office in Malaysia?**

**5. What are the penalties for non-compliance?**

An employer who fails to obtain JTKSM approval under Section 60K is liable to a fine of up to RM100,000, imprisonment of up to five years, or both.

**6. Who can submit an application?**

Only a company director or authorized representatives (company employees as listed in EPF statement or Private Employment Agency) can submit the application.

**7. How do I apply for JTKSM approval via Xpats Gateway?**
